

Our Services:

## Order Fulfillment and Storage

Choosing the right logistics partner is no small decision. Whether you're outsourcing a one-time promotional project or looking for a long-term fulfillment relationship, look no further than Rockpoint Logistics. We offer proven, end-to-end fulfillment solutions for all your business needs.

At Rockpoint Logistics, we bring you a dedicated, professional group of employees with deep experience in the fulfillment industry. Each Rockpoint employee goes through an extensive training program on all operating procedures, teaching and reinforcing efficiency, quality and customer service.

We employ a radio frequency and bar code-driven warehouse management system to boost inventory integrity and ensure cost savings. This state-of-the-art system incorporates features like real-time data transfer, system-directed put-away and engineered labor standards to maximize efficiencies while reducing dock-to-stock and order fulfillment timeframes.

We want to hear from you. If you'd like to learn more about our order fulfillment and storage services, find out how we can transform your supply chain or get a quote, get in touch today.
